# Fox Hollow Farm Summer Camp. . .

An unforgettable experience! Located on 56 gorgeous acres, Fox Hollow's summer camp offers a nurturing environment for your child to grow mentally and physically while he or she learns all about the wonderful world of horses. Campers participate in a structured riding lesson each day as well as spend time participating in general horse care and stable management & veterinary

care. Campers are encouraged to get involved! There is opportunity to interact with the baby horses as well. Additional activities include games, sports, arts and crafts, swimming, nature and hiking. We offer a loosely structured program to afford your child an interesting day with experiences he or she will never forget!
